

2019 EXHIBIT AND SPONSORSHIP GUIDE

Fairmont Chateau Lake Louise,
Lake Louise Alberta

October 17 – 20, 2019

The Pain Society of Alberta is a large multidisciplinary group of health care professionals with a commitment to the study and treatment of pain. As advocates of improving the well-being of patients, our organization also provides ongoing educational opportunities to healthcare providers.

This will be our biggest conference ever. For the first time, all Western Canadian provinces will be in attendance including British Columbia, Saskatchewan and Manitoba. This pan-provincial collaboration will bring together leaders in the field of pain management to improve patient care.

Your sponsorship is greatly appreciated. You will have ample opportunities to access, engage and network with our participants to share research updates about your products and services. Most importantly, your commitment will allow us to provide:

- *Significantly reduced registration costs for medical learners, residents and patient representatives.*
- *Presentations delivered by national and local speakers.*
- *Integration of additional speakers to facilitate breakout sessions and further enhanced learning opportunities.*

We welcome and value your involvement and look forward to your involvement in our dynamic pan-provincial conference.
