

**PAIN SOCIETY OF ALBERTA  
2018 EXHIBIT AND SPONSORSHIP GUIDE  
BANFF ALBERTA OCTOBER 19 - 21, 2018**

The Pain Society of Alberta is a group of health care professionals with an interest in, and commitment to the study, treatment and management of pain.

As advocates of improving the well being of patients we serve, our organization provides ongoing educational opportunities to empower all health care providers with new pain management strategies. Highly respected and knowledgeable presenters have been invited to present on various persistent pain topics and provide up to date content.

Your sponsorship, commitment and exhibit at the Pain Society of Alberta Conference in October will offer ample opportunity to engage and network with our participants, share research updates and initiatives about your products and services, collaborate, network and liaise with health care partners from all over the province.

We welcome and value your involvement. We trust our multi-level sponsorship levels will accommodate your requirements to be part of this dynamic conference.
