

Pain Society of Alberta Pain Excellence Award

The Pain Society of Alberta Pain Excellence Award honors outstanding and dedicated excellence by a clinician, researcher, educator or team in the areas of acute, chronic or palliative pain care.

Candidates for this award are health care providers or a team that have exemplified excellence in their clinical or academic practices and have made a positive impact to patient care and delivery of services.

This award also highlights significant work in one or more of the following:

- **Unique collaborations within pain services in their communities to improve access or patient processes, or to enhance patient care.**
- **Development of educational programs for patients.**
- **Creation of professional development programs for clinicians.**
- **Provision of leadership to establish change for patient and clinician programs.**

Nominate an individual or team by submitting a letter including your name, discipline and a short and meaningful summary of their service contributions by September 6, 2019 to team@painab.ca.

The PSA Board of Directors will review all applicants. This award will be presented at our Annual Conference Gala evening on October 19, 2019.
